

GUITAR FRETBOARDS

The image displays four identical guitar fretboard diagrams arranged horizontally. Each diagram represents a guitar neck with six strings, labeled at the top from left to right as E, A, D, G, B, and E. The fretboard is a grid of 24 frets. Shaded horizontal bars indicate the positions of specific frets, labeled on the right side of each diagram: 3rd fret, 5th fret, 7th fret, 9th fret, 12th fret, 15th fret, 17th fret, 19th fret, 21st fret, and 24th fret. The frets are numbered in increments of 2, starting from the 3rd fret.

NOTES:
